Dear Parents:

It has been brought to my attention the number of cars parked on Eaglefield Drive has become unsafe for our students that are walking home. I observed these concerns first hand yesterday. First, there are cars parked in no parking areas along Eaglefield Drive. This is a hazard to student safety because it is difficult to see oncoming cars and is also causing our students to cross in unsafe places. There should be no parked cars from Highway 9 to Teeside Lane. I want to let you know that beginning Monday, police will be enforcing the No Parking laws.

Second, students are also crossing in places that do not have adult crossing guards. Students should cross Eaglefield Drive with the crossing guards and then walk along that sidewalk until the four way stop at Teeside Lane. As a further effort to encourage safety, we are providing a school walk route map to support walking and safe pedestrian behaviors. The walk route has been developed based on traffic patterns and traffic controls such as crosswalks, stop signs, and adult crossing guard locations.

Please remember we are trying to keep all children safe on their way to and from school. Your help and cooperation is greatly appreciated. Let me know if you have any concerns or questions.

Thanks,
Kerri Helgeson
Principal
Pioneer Elementary
