

SUGGESTED SAFE WALKING ROUTES

Presidents Elementary provides families with suggested safe walking routes. Crossing guards are stationed at the crosswalk at 3rd and Gifford and 3rd and French at 8:50-9:10 a.m. and at 3:35-3:50 p.m. Students who are walking to school are to use the concrete walkways and refrain from walking on the road, parking lots, grass areas, shortcuts, or neighbors' property. Students remaining outside at 3:50 pm will be brought into the office.
