

Elmhurst Elementary – 420 133rd St E, Tacoma, WA, 98445:

When student safety is at risk, exceptions to the transportation limitations may be granted. Student safety may be at risk if there are no safe walking routes to the student's school. Safe walking routes must be free of physical, social and environmental hazards as determined by the Office of Superintendent of Public Instruction, the appropriate law enforcement agency and the transportation department or the district's safe walking committee.

Assessment:

- **133rd St E** – no sidewalks, wide shoulders with pot holes, heavy traffic during pick-up and drop off times at the school, no crosswalks on 133rd St E.
- **Brookdale Rd E** – no sidewalks, wide shoulders with pot holes, heavy traffic at all times, 35 MPH, traffic travels faster than the speed limit, no crosswalks at any intersection.
- **Johns Rd E** – no sidewalks, wide shoulders with pot holes, cars parking on shoulders, 25 MPH speed limit.
- **6th Ave E** – no sidewalks, no shoulders, blind corner with no shoulder.
- **138th St E** - no sidewalks, very narrow shoulders, has a bridge over a creek with no walk area on.
- **A St S** – no sidewalks, wide shoulders with pot holes, Cars Park on shoulders.
- Golden Given Rd E– Steep hill, no sidewalks, no shoulders, heavy traffic at all times of the day, 35 MPH speed limit, this road would be a very dangerous road to walk.
- **A St S and 138th St E** – no cross walks, very busy intersection, no pedestrian light crossing.
- **127th St E** – steep hill, no sidewalks, no shoulders, very narrow road, and very unsafe road for pedestrian travel.
- None of the roads in this area are lighted.
- As of 6/22/11 there are 10 registered sex offenders in a mile radius of school.

Based on the Elmhurst's Safe walking committee it has been determined that there are no safe walking areas in the Elmhurst's catchment area base on the above findings.
