

Areas inside the dark center outline are considered safe routes to walk to school, along sidewalked streets and using safety patrol controlled intersections. These intersections are located at Main Ave. & 3rd St. or Main Ave and 4th St. Areas outside the center outline, but inside the one mile circle are considered hazardous to walk to school, due to unaided arterial traffic route crossings. Pupils living in this area should make arrangements to ride the school bus from an established stop.
